Dedication

Mrs. Matred Donahue

Speaking of people caught up by the tide of history, President Franklin D. Roosevelt once said, "To some generations much is given, of other generations much is asked. This generation has a rendezvous with Destiny." The same statement can sometimes be made about teachers. Much has been asked of Mrs. Donahue. It has been her personal rendezvous with the destiny of Crestmoor High School to be called upon to advise and guide the Student Association in its struggling and formative years and set precedents where no precedents had existed. No book is written, no course is taught that tells a teacher how best to advise and guide in these difficult circumstances. The teacher charged with this tremendous responsibility must bring to the assignment his or her own high ideals and regard for the common good, together with a great capacity for hard work and a high tolerance level for frustration. This Mrs. Donahue has done.

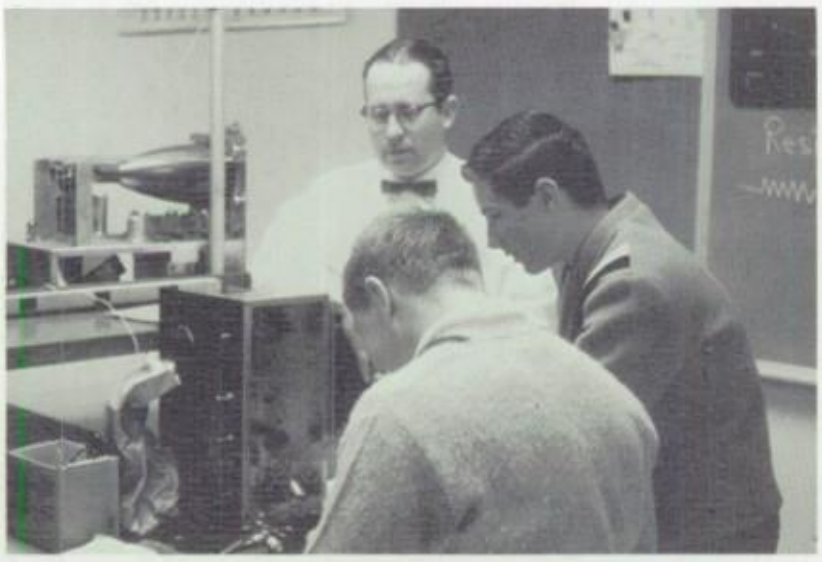
All Work and No Play

Hold it straight, caddy!

Hmmmm.... termites.

BAM!



I bid 3 amps.

Don't drop me!

Look ... 2 plus 2 is 4.

Not my finger!

I never was any good at math.

CLASSES

We Were the

First...Class of '65

Memories of Crestmoor

Pres. Mike Wise; Vice P., Sakhone Chasane; Ellen Churgel, Sec.-Treas.; Nancy Dirking and Donna Stepp, Rep.

We were the first class from San Bruno to be divided and sent merrily on our way to Mills. We entered with a dim outlook, still wishing to be a part of Capuchino and to follow tradition. At Mills we learned what it's like to be Freshmen and what a high school was like. Our spirit was with Mills, and by the end of the year, it was this school we put our hearts into. We can be proud to say that three of Crestmoor's students were the officers of the class of 600. It was hard to leave the memories and to start from scratch as the top class of Crestmoor High.

As Sophomores, our outlook was twice as dim as before, as we were afraid to start and build Crestmoor into a school we could be proud of. We began slowly searching our way with blind eyes. Our Constitution was the first step and with this other organizations rose. We started traditions that will be carried through the history of our school. We lost most of our games in sports, but we still had the drive to carry on and get the experience we so badly needed. With the Freshman class and our advisors and teachers, we worked together and started to pull our Crestmoor together.

"Juniors rule" was our cry. We now had a Student Government and three classes. Our spirit was climbing high. Although we only had a Junior Varsity football team, we won the championship by working hard together. We felt our first burst of pride and now we openly admitted that we were from Crestmoor. The first Exclusive was held and we will never forget the fun we had swimming, dancing, and eating. It was our first success that led to more. "Money" was our cry and money we made from our first annual Talent Show. We were now on our way to a night we will never forget--Crestmoor's first Junior Prom. It was held on May 6 with Shangri-La as its theme. The night was highlighted with the crowning of Ellen Churgel and Mike Wise as Princess and Prince. Another milestone in our Junior year was the arrival of Sakhone Chasane from Laos as our very first foreign exchange student. Now, Sak is "one of us."

SENIORS, at last! Now Crestmoor was complete with all four classes, a varsity football team, and a calendar bursting with activities. We were a real high school! We carried on our traditions with a Senior Exclusive which proved to be a great success. Our varsity football squad gave everything it had in a tough schedule and was commended by the Board of Managers. Then came the Grid Dance and the crowning of Donna Stepp as our first Grid Queen and Nancy Garland as Senior Princess. The Second Annual Talent Show brought in the money we needed for our Senior Ball. It was held on February 6 with beautiful decorations carrying out the theme of Twilight and Gold. Suddenly the Spring semester was upon us and we began to realize that we would soon be bidding farewell to the school we had started ourselves and had built with hand and heart. There were trying times, but we will never forget the memories that bind us so strongly together and make us the Class of '65. Yes, we were the first!

A Very Special Senior

Sakhone Chasane

Sak

Crestmoor was proud to be chosen by the U.S. State Department to receive a foreign exchange student after only one year of operation. The pride that we originally took in ourselves at being thus honored has now turned to pride in the student himself who has proved by his presence and his participation as a member of the Class of '65 to be a "very special Senior." As a class officer, as a varsity tennis player, as what must be the world's best badminton player, as a hard working student, and as an all round nice guy, Sak has become an integral and honored part of Crestmoor's history. Sak, you will be missed in a very special way by all of us at Crestmoor.

An Open Letter from Sak

To the faculty, staff, and students at Crestmoor High,

Now that the time has arrived for me to say good-bye to all of you, it is with sadness that I write this message--

The past two years have opened a whole new world to me. The benefits I have received from this experience are too numerous to mention. The travel, the fun, the humor, the souvenirs, the friendships, the kindness and the understanding I have received will remain with me as precious gifts for the rest of my life.

My observations of "the American way of life" are many. The outstanding one is the freedom of choice and the unlimited opportunities presented to each citizen. Another one is the close relationship of the American family, and particularly the one with whom I have spent my two years.

I wish to thank each and every one of you for your own contribution that has made my stay so pleasant. With the hope that our paths will cross again in the future, I say to all of you,

Sabidy

Commendation

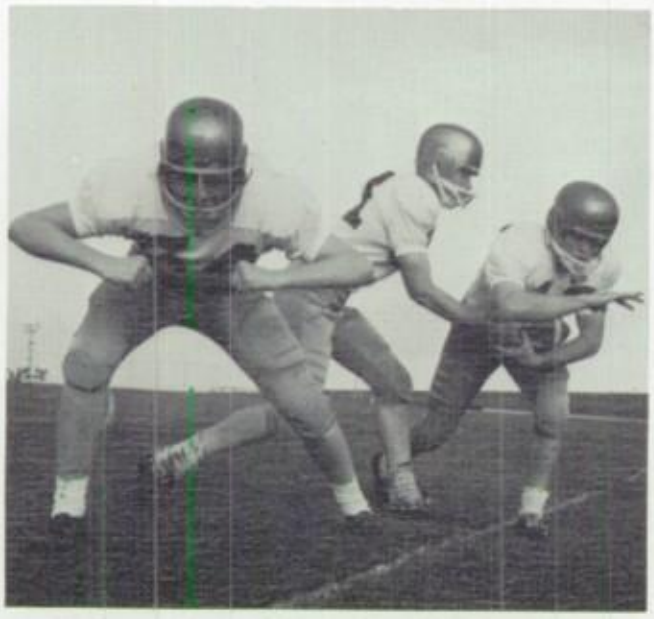
Head Coach Kent

Crestmoor High School received a most unusual pat on the back from the MPL Board of Managers this year. This group, composed of the Principals and Vice Principals of the seven member-schools, voted unanimously to commend Crestmoor for its student body, football team and coaches for the fact that our football team gave everything it had completely--from the first minute to the last minute of every game in the face of what usually appeared to be over-whelming odds.

All-MPL

Gus Lopez, shown here in the Capuchino game, was selected to the 1964 All MPL Defensive Team, for his outstanding performance all season long. One local paper called him one of Crestmoor's greatest all-round athletes.

Gridders Finish Third



Ken Meaders, Bob Smith, Mike Wise.

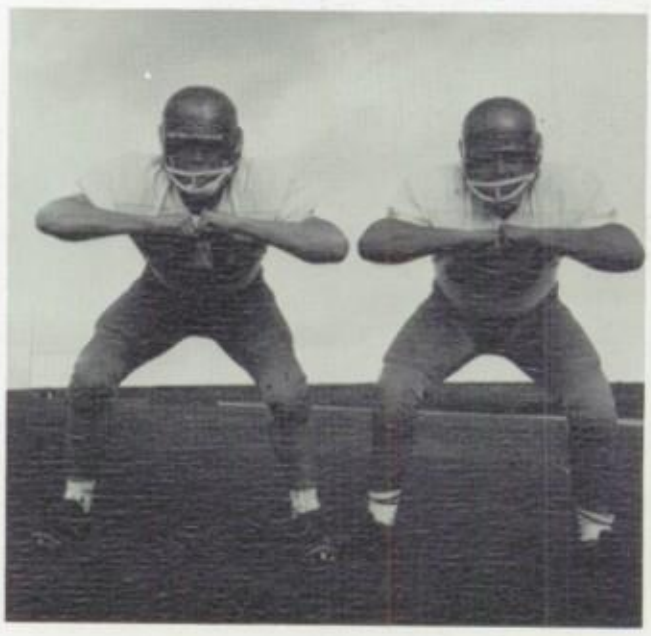
Gus Lopez, Tom Duncan, Bob Smith.

Tony Waskey

Tal Colson on a tightrope.

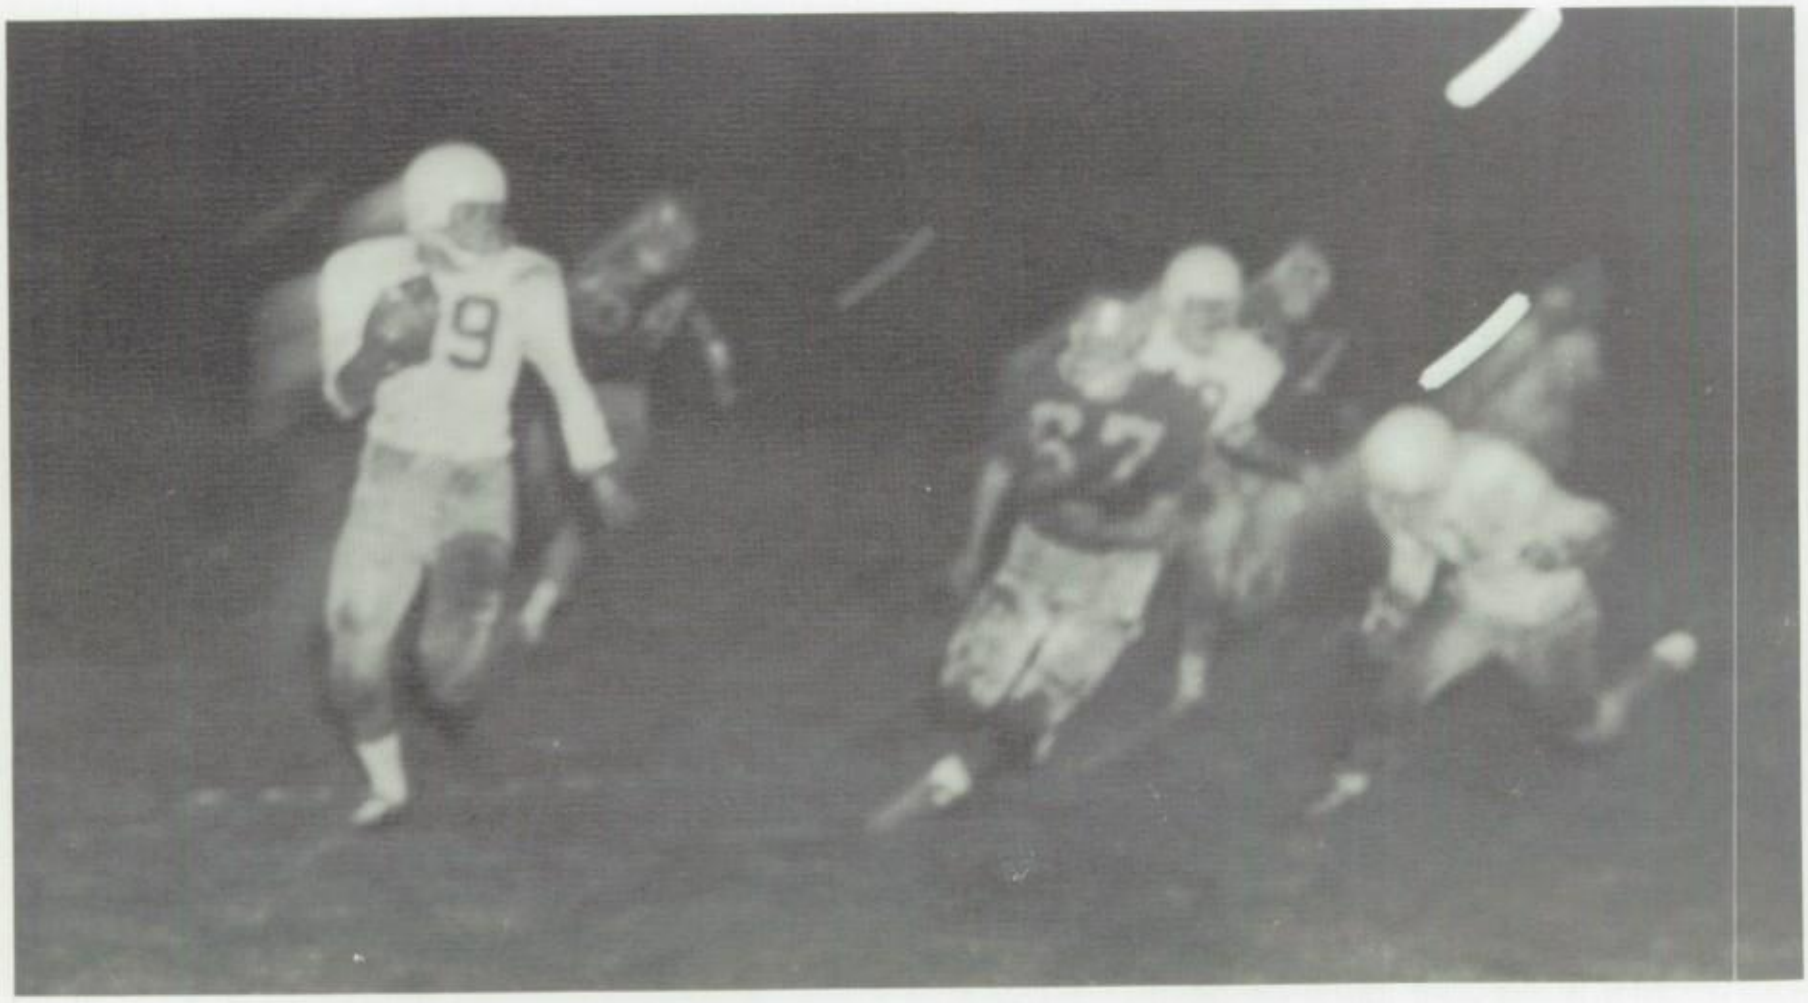
Tom Duncan

Jim Poor, Rich Gunn.



Pete Hermann, Rich Fontenrose.

Falcons in Action



The Season in Review

Varsity football made its debut at Crestmoor High School in September of 1964 as the Falcons met their first opponent of the year--St. Francis of Mt. View. The Catholic team was an easy victor, winning 20-6. The Falcons next met Oceana in Pacifica on a sunny, warm afternoon. Predicted to win, Crestmoor scored its first touchdown and then rampaged on during the remainder of the game, always holding the lead. The final gun sounded with Crestmoor the victor, 22-13.

MPL competition was next and it would be tough, as both players and coaches alike knew. The first opponent was a speedy Aragon Don varsity, which pounded Crestmoor, 27-0. Capuchino was next on the list, and in this game the Falcon defense finally came through for Crestmoor. But the Mustangs still managed to get the ball away from us twice, and the final tally showed 35-12 in favor of the rivals.

The odds were against us by the time the Burlingame gridiron contest came around, but the Panthers were to be held scoreless for almost a full two quarters! However, Burlingame put on the speed in the second half to enable them to celebrate in a victory rally, with the score reading 26-0. The continually improving Crestmoor defense gave new hope as we played San Mateo on their muddy field. The Bearcats were given one of their worst scares of the season as Crestmoor played its best game all year, tallying the first TD. San Mateo came back in the second, however, to go ahead 7-6. But Crestmoor came back in the third, after the Bearcats had scored their second TD, to tie it up at 13-13. Two long San Mateo runs in the fourth, however, made the final score 27-13.

In the last two games of the season, Crestmoor went scoreless, but the team effort improved in each game. In the Mills game, our only night game, we were hailed for our spirit, but lost the game, 25-0. Hillsdale beat us in the frigid finale by 28-0. Our season record was 1-7, and in the MPL we finished with a 0-6 record, but ended up in third place due to a three-way tie for the championship.

The Season in Review

Crestmoor's varsity and B basketballers once again showed fine spirit and hustle during the 1965, against tough opposition. Victory came to both the varsity and B teams for the first time in MPL play, with the varsity winning their first against Burlingame, while the Bs handed Aragon and Burlingame defeat. Scoring for the season was lead by sophomore Larry Grant for the varsity, with 124 points, and by Jerry Kollmann for the Bs, with 110 points. Also outstanding starters for the varsity were Schuller, Weinberger, Waskey, Lopez and Curry, while leading B starters included Marty Kirk, Jeff Dirking, John Bianchi, Bob Gomes, and John Zavala. Jerry Kollmann scored 28 points in one game!
